Directors' Report

The directors present their report and accounts for the year ended 31 December 2020.

Principal activities
The principal activity of the Co-operative continues to be the production of community owned renewable energy.

Directors
The following persons served as directors during the year:

Robin Coates
Brian Harper
Clive Pyne
John Raine
Ian Caldwell
Dinah Sage
Anna Silver

Directors' responsibilities
The directors are responsible for preparing the report and accounts in accordance with applicable law and regulations.

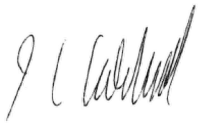

The law governing Registered Societies requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the society as at the balance sheet date and of its income and expenditure for the year then ended. In preparing these accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the co-operative will continue in business.

The directors are responsible for keeping proper books of account such as are necessary to give a true and fair view of the society's state of affairs and to explain its financial transactions. The directors must also establish and maintain a satisfactory system of control of its books of account, its cash holdings and all its receipts and remittances, and hence are also responsible for safeguarding the assets and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Reporting Criteria
This report has been prepared in accordance with the Co-operative and Community Benefit Societies Act 2014.

This report was approved by the board on 21/04/2021 and signed on its behalf.

1 Accounting policies

The principal accounting policies adopted in the preparation of the financial statements are set out below. These have remained unchanged from the previous year and have been consistently applied within the accounts.

General information

Malvern Community Energy Co-operative Limited is a registered society incorporated in England within the United Kingdom. The address of the registered office is given on Page 1 of these financial statements. Malvern Community Energy Co-operative Limited meets the definition of a public benefit entity under FRS102.

Basis of preparation

These financial statements are prepared under FRS 102 Section1A - small entities and there were no material departures from that standard. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents the sales value, net of value added tax, derived from the generation of electricity from renewable energy installations.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	5% straight line

Taxation

There is no corporation tax due as the soceity has significant trading losses due to capital allowances. We do not expect the advance capital allowances to reverse later on the project due to share interest deductions, which is why no deferred tax has been provided.
